MEMORANDUM FOR: SA/DO/O

FROM: Acting Legislative Counsel

SUBJECT: Handling of Congressional Travelers

1. In recent months, we have had three instances where Congressional staff people have traveled overseas, made notes and asked that the notes be pouched back by the Agency. In each case the staffer was led to believe his notes would be back in a very short time, and became upset when they did not arrive for weeks.

2. I would like to request that some sort of alert be sent to the stations overseas asking that they advise congressional staffers that it takes from one to two weeks to pouch things back. Perhaps then they will be a little more patient.
